5 January 1981

NOTE FOR: PAO Staff

SUBJECT: PAO Work in Progress (WIP) Reports (U)

REFERENCE: PAO Staff Action Memorandum No. 8 - PAO Work in Progress
Summary, dated 21 Nov 1980

1. PAO Work in Progress (WIP) Reports for January 1981 were due on 29 December 1980. In preparing this month's report, please take note of the following:

- Show suspenses for intermediate actions and/or products rather than when a given study will be completed.
- Be as specific as possible with the individual actions which you identify in the status column (See report prepared by 25X1
Copy attached.).
- Include actions derived from the various review sessions we have had on the individual prospectuses.
- Asterisk those items which have changed from your previous report, i.e., have been amended or added to the report.

(U)

2. After I have all of the WIP's for January 1981, I will prepare two separate documents.

- A listing of those subjects for which someone has been designated the PAO or RMS point of contact.
- A composite listing of all areas of interest.

(U)

3. The first item should be of general interest to everyone in PAO; it may also be of interest to other elements of RMS as well as elements of CTS. The second item will be used by the secretaries to circulate documents within PAO. (U)
